Questions and Answers:

Do I need special skills to be an auxiliary member?

In general, you need a desire to help others, a positive attitude and a willingness to learn.

Do auxiliary members need to be a certain age?

Age 16 and older— Men and women are invited to join.

Do auxiliary members need to serve a certain number of hours?

We realize that everyone can't help with every event or opportunity.

Where does the money go that is raised by the auxiliary?

All proceeds from events go to benefit the needs of the health system or special project sponsored by the Auxiliary and Mille Lacs Area Health Foundation.

Your contribution of time, talent and support does make a difference for the families and communities we serve.

How do I become an Auxiliary member?

- Contact Janice Erbstoesser or Lois Lahr at Mille Lacs Health System at **532-2603** or **532-2604**
- Attend an auxiliary meeting to learn about the different opportunities.
