

Partners In Caring

Individuals and businesses that contribute a minimum of \$100 each year to Mille Lacs Area Health Foundation are **Partners In Caring**. The goal of **Partners In Caring** is to raise funds for the continuing health of the Mille Lacs area communities. Along with the many health care needs, we support ...

Scholarships

We encourage members of the community interested in the field of healthcare to help meet the ever-growing need for qualified healthcare workers.

Home Care/Hospice

Assist in funding the Home Care/Hospice program so they may provide care to individuals in their homes as they address end-of-life issues.

Health Education

Assist in the education of Mille Lacs area communities by partnering with schools, sponsoring health fairs and providing educational seminars on health related issues.

Capital Needs

Provide funding for needed capital improvements, so health providers may stay on the cutting edge of providing the best health care possible.

Emergency Assistance

Provide emergency assistance for the patients who find themselves in a crisis.
